

## FAQ

Q. How do I enter and how much is it?

A. All entries are taken via the ACU online entry system, the permit number to search for is ACU58178. The entry fee is £175, plus £80 & VAT = £96 for the mandatory fuelling service.

A one event licence is available for UK riders at a cost of £15.

Q. Can I enter prior to the dates stated as I'm not available on that date/time?

A. No, the dates and times of entry have been stated on the supplementary regulations and approved by the ACU - we therefore have to adhere to these regulations.

Q. Can I enter a different class e.g. Clubman and then you move me over to Sportsman?

A. No, when you enter you need to enter in the class that you wish to ride in, there will be no transfers of classes other than between the sub-classes E1, E2 & E3 in Expert & Clubman and CE1, CE2 & CE3 in Classics

Q. Can I enter but if I can't ride give the entry to my mate?

A. No, if for some reason you are unable to ride you have up until the 15th May 2020 to cancel and receive a refund less £15 admin fee, your place will then be passed to the next rider on the reserve list.

Q. I haven't got an ACU licence can I still ride the event

A. If you haven't got an ACU licence you will be charged £15 at entry point for a one event licence. Please note you still need to register as an ACU member to be able to use the online entry system <https://www.ride-acu.uk/Secure/Login.aspx>

***"Please note – if you not resident within the area of jurisdiction of the ACU (being British Isles, excluding Ireland), the ACU Licence Department will have to set up a record for you. Email licence@acu.org.uk, with your full name, date of birth & address. Scottish Riders will also have to email the ACU."***

Q. I've got an entry in the Sportsman Class but want to ride near my 5 mates who are riding in the Veterans Clubman and Classic Classes - can you put us all on the same minute please?

A. No you can ride together if you are all in the same class and then only 4 can ride on each minute. In the regs there are details regarding when the ride near request will be opened and when the cut-off date is, to save you trying to do it at entry point the facility will be disabled until entries have been all approved.

Q. I thought I had a place and then by the time I processed the payment the place had gone what has happened?

A. Unfortunately the ACU entry system does not hold the place for you until you have completed the payment process, therefore if there are 10 of you trying to pay for 5 places then only the first 5 to complete will get an entry. The Welsh 2 Day cannot do anything about this it is the way the system is set up at the ACU
